**GREAT VALUE HEAVY EQUIPMENT**

ABDHU DHABI | UNITED ARAB EMIRATES

## WHO ARE WE

Great Value Heavy Equipment, a company which is strongly committed to providing superior products and services to our esteemed clientele, believe in the development with our clients by sharing useful industry-specific information which aligns with our company's initiatives.

We are one of the leading suppliers of Diesel Generators, Parts and Filters in UAE, we supply Perkins Parts, Perkins Filters and FG Wilson Parts. Also deal with Leroy Somer, Stamford, Meccalte, Deep Sea, Baldwin, Donaldson, and Fleetguard parts. We specialize in all kinds of other generator parts like AVR's, Breakers, Electrical, Exhaust Industrial and Residential silencers, Hydraulic hoses and fittings. We maintain one of the biggest stocks in the region and provide total Generator parts under one roof with lowest prices in the market.

All Types of Rubber Hoses and Related Fittings: The intensive product range conforms to various kind of Suction & Discharge Industrial rubber hoses suitable for Oil, Water, Air, Chemicals, Multipurpose etc. Hydraulics ranging from 1SN, 2SN, 4SP, 4SH, R13, R15 etc, Including water blast hoses, R5 and Fuel & Oxygen welding hoses.

The high level expertise and experience in the Diesel Generators and parts market, our parts team makes it effortlessly easy for big fleet owners like rental, construction, telecom and oil & gas companies, to source and procure genuine Generator parts direct from OEM's & authorized distributors of the world at the utmost competitive prices.

## OUR MISSION

Our aim is to have in stock an optimal amount of various spare parts so that our sales capacity can fulfill customer needs any time and they can rely on it, also providing additional support with our services, offering maintenance and Genset repairs with high quality.

## OUR VISION

" To be the leading supplier of Generator parts as well as a service for distributing Genuine parts and branching the business line that is environmental friendly for sustainable growth'

We maintain long-term relationships with our clients. Our friendly, knowledgeable and professional staff will help to inspire, educate and solve your problems.
